Course Content

With course work out of the way the focus now shifts to preparing for the exam. Students will complete 4 X A2 preparatory sheets following the same assessment guide lines. A selection of topics are provided by the IGCSE Cambridge Board in January and there is a period of 8 weeks to ensure exam readiness.

By now the process should be fairly straight forward with students having a clear model to follow.

Core Elements

- Selecting a suitable topic from the examination paper
- Carrying out research and making a clear visual record of source material
- Showing divergent and interesting alternative ideas and processes
- Providing a coherent and structured development
- Experimenting with ideas as well as different media
- Demonstrating control and skill in the manipulation of images
- Thorough exam preparation in regard to process.
