

## Course Content

The aims of Year 8 TLC Term 3 are to enable learners to read a wide range of texts fluently and with good understanding, enjoyment, and appreciation of a variety of language. Students will be assessed on their ability to write accurately and effectively, using an appropriate, standard language, and also use a range of appropriate vocabulary.

The course contents include grammar and literacy, listening skills, reading comprehension and analysis, types of Thai verse (กลอนแปดและโคลงสี่สุภาพ), โคลงโลกนิติ and letter writing. They will read a range of texts over the term and develop their ability to search for specific details and analyze the language. The letter writing will look at the structure and appropriate language for a specific audience. There will be numerous listening activities to develop this important skill further.
