

### Year 7 and 8 Homework Timetable

Year 8 students are expected to do at least one hour of homework each day. This will normally be completed at Home in the evenings or during the weekends, but on occasions, students may find it easier or more convenient to do this study at school.

Year 8 students should have 2 subjects set homework of 30 minutes length per day

The timetable shows which subjects may ask for homework to be done on any particular day. This should prevent an uneven workload over the course of the school week.
