Each department will carry out an activity during the academic year that encourages competition between Houses linked to House Days.

- After school House competitions will run throughout the year organised by various departments

Students failing to not wear House Shirts on House Day will be dealt with by their House Leader and House Captain

Staff Members failing to wear their House Colours will be spoken with by the Head of Houses.

House Competitions

Each Department must run a House Competition for Key Stage 3 (Lower School/Juniors) and Key Stage 4/5 (Upper School/Seniors) on House Day. The competitions should last 55 minutes and take part after assembly.

Losing House Points

Alongside the positive aspect of House Points, SPIP also runs the Behaviour Policy for those students who are not able to abide by the rules. These will come as demerits to be recorded on Schoolbase by all staff. If a House attains a total of 10 demerits, that House will have 10 House Points deducted from their overall total.

End of Year

The main point of the SPIP House System is to encourage camaraderie, competition and a sense of belonging amongst the students. At the end of the year, the winning house will be awarded a trophy for the efforts. The winning house will depend on total House Points at the end of the year, but also during several activities. Trophies and awards will be given out to teams, individuals and the House for academics, citizenship, English and sports success. There will also be rewarded to the winning House and any other exceptional students during the end of the year House Assembly. Details will follow closer to the end of the year.
